Day 2

Play the **King's Course (tbc)** of Gleneagles Hotel. The King's course was the inspiration of James Braid, five time winner of the Open championship. It opened in 1919, representing the finest 'classical' golf course design. It is certainly one of the most beautiful and exhilarating places to play golf in the world.

With the sweeping views from the tees all around, the rock-faced mountains to the north and the green hills to the south, and the peaks of the Trossachs and Ben Vorlich on the western horizon.

Overnight: **Gleneagles Hotel**: Sovereign Room - including Scottish breakfast (1Room, 2 passengers)

Day 3

Today play the **PGA Centenary Course (tbc)** of Gleneagles Hotel. This highly acclaimed Jack Nicklaus design, is a fine test of championship golf. A modern layout featuring many strategic bunkers and vast putting surfaces. The course can stretch to over 7,088 yards from the tips and affords wonderful views of the Grampian Mountains and the Perthshire countryside. The course is the chosen venue for the 2014 Ryder Cup for its return to Scotland. Please note a very limited supply of golf carts are available for hire. Certain restrictions may apply, please advise your Golf Travel Specialist.

Overnight: **Gleneagles Hotel**: Sovereign Room - including Scottish breakfast (1Room, 2 passengers)

Day 4

Today play **Carnoustie (tbc)**, host to the British Open on seven occasions and considered by many to be the most challenging of all Open venues. While the links is relatively flat it is exposed to the elements. A combination of length and accuracy are required from the tee and approach shots demand precision to the greens heavily guarded by steep bunkers and burns. Arguably the toughest finishing holes in championship golf, the course gained much

praise following a testing but fair set up for the 2007 Open Championship. Please note there is one golf cart available to hire for medical certificate holders. Certain restrictions may apply, please advise your Golf Travel Specialist.

Overnight: **Old Course Hotel:** Old Course View Room - including Scottish breakfast (1 Room, 2 passengers)

Day 5

Today play the **Castle Course (tbc)**. Located two miles from St Andrews town centre, and following the Fife coastline, the Castle Course is the latest addition to the St Andrews Links Courses. Opened in 2008, the designer, David McLay Kidd, creator of Bandon Dunes has created a typical Scottish golf experience with wonderful views over the town and the North Sea. It has been designed with tradition very much in mind. Approaches will allow play for bump and run as well as pitches and the heavily contoured greens will be features of the course.

Overnight: **Old Course Hotel:** Old Course View Room - including Scottish breakfast (1 Room, 2 passengers)

Day 6

Today challenge the **Old Course of St. Andrews (tbc)**, the "Home of Golf". The Old Course has played host to the greatest golfers in the world and produced many of golf's dramatic moments. Wide double fairways, seven extensive double greens, and a multitude of intimidating bunkers are just some of the unique features you will encounter.

and the golf chat.

Old Course - Pricing like with like:** Many travel companies readily provide price quotations for golf travel to Scotland including "guaranteed" play on the Old Course, St. Andrews. The reality is they are often unable to ultimately deliver the promise of an advance confirmed time, on the dates you wish to travel, due to their very limited access, and indeed you may only become aware of this at a relatively late stage in the process. ***When comparing price quotes and selecting a golf travel company for travel to the Home of Golf, be aware that PerryGolf, through an ongoing premium starting time contract, holds significantly more Old Course inventory than other golf tour operators and is in an unrivalled position to deliver this promise. Candidly, this access comes at a significant cost to PerryGolf, which is reflected in our price quotation. Be assured however you are receiving greater value than "similar" quotations from many other companies.

The handicap limit for playing the Old Course is 24 for men and 36 for ladies. In addition, an official handicap card will be a prerequisite for play at the Old Course. PerryGolf arrangements for providing confirmed access on the Old Course of St. Andrews may require a guaranteed minimum spend in the St. Andrews Links Clubhouse of £70 - £30 food & beverage & £40 merchandise per person. We will bill you in advance at the same time as your tour costs at the rate of \$120 and provide you with redeemable vouchers.

Golf Pairings - If your group does not comprise a complete foursome, please be aware that at certain courses where extreme demand exists we may pair you with other clients of PerryGolf to ensure maximum utilization of that starting time. This will normally always occur at all of the St. Andrews courses (i.e. Old, New etc.). Additionally, although only very occasionally exercised, some golf clubs do reserve the right to make groups up as complete foursomes on the day of play.
